ORDER:-

Government, in order to ensure equitable development of all sub communities of the Backward Classes and to ensure coverage of all the eligible beneficiaries of even the smallest of the communities in terms of population based on the principle of saturation and to ensure transparency which eliminates the corrupt practices in selection and delivery of the benefits from the schemes, it was felt necessary that separate corporations have to be established for different sub communities to achieve equitable development. Accordingly, vide reference 1st read above, Government have issued orders for the establishment of 56 BC Corporations for the Welfare of Backward Classes.

2. Further, Government has been implementing its flagship schemes under the Navaratnalu Programme, predominantly in a DBT mode and various other Developmental activities through these 56 BC Corporations.

3. For the successful outreach of these activities and to create awareness about these schemes to the public, the meeting of stakeholders of these Corporations plays a vital role as they act as bridge between the Government and people in general and BC communities in particular.

4. Therefore, Government hereby sanction an amount of Rs. 2.00 lakhs for each BC Corporation and is provided with a budget of an amount of Rs.1.12 Crs (56 Corporations in total) as additional funds in relaxation of treasury control and quarterly regulation orders pending provision of funds by obtaining supplementary grants at an appropriate time during the C.F.Y. 2022-23 for the smooth conduct of the outreach program on Navaratnalu Schemes to the BC Communities through the Chairman/ Chairpersons and Directors of 56 BC Corporations:
